

Privacy and cookie policy

Privacy

Digital Devils respects the privacy of visitors of the website and ensures that the personal information you give us will be treated confidentially. Processing of personal data is done in a manner that is consistent with the requirements of the Data Protection Act.

Cookies

Digital Devils uses cookies. Cookies are small text files that are stored on your own computer. A cookie does not store any personal information, it only remembers your preferences and interests based on the pages you viewed.

What cookies are used?

Functional cookies

These are necessary cookies. These cookies are for example used to make the website more user friendly by storing certain user preferences.

Cookies for website statistics

Digital Devils uses Google Analytics to track how visitors use the site. This information is stored by Google on servers in the United States. Google uses this information to track how the site is used to provide us with reports on the website and to provide information about the effectiveness of ad campaigns. Google may also transfer this information to third parties if Google is legally required, or where such third parties process the information on Google's behalf. We have no influence on this.

Cookies for showing targeted ads

Digital Devils uses Google AdWords for this purpose. Cookies are used to personalize these ads as much as possible to your interests. To disable the use of external cookies by Google you can visit the Google advertising opt-out page.

Other external cookies

Digital Devils uses buttons to promote pages or share on social networks like Facebook and Twitter. These buttons are implemented by code provided by Facebook and Twitter itself, this code sets a cookie. Please read the privacy statement of Facebook and Twitter to see what they do with the personal information they process with this code.

Disable cookies

You can set your browser to notify you when a cookie is set. You can also block the placing of cookies completely. Note: it is possible that you cannot use all parts of the website.

Third parties

Digital Devils links to other websites. We have no influence on cookies put on these external websites. For more information on how these sites deal with cookies please refer to the policies of these websites.
